IMMUNIZATION POLICY

Patient Name: _____ **DOB:** _____

We firmly believe in the effectiveness of vaccines to prevent serious illness and to save lives, and have complete confidence in the safety of vaccines. We believe that all children and young adults should receive the recommended vaccines according to the schedule published by the Centers for Disease Control and the American Academy of Pediatrics.

We feel certain that vaccinating children and young adults may be the single most important health-promoting intervention we perform as health care providers, and that you can perform as parents/caregivers. The childhood immunization schedule is the result of years of scientific study and data on millions of children by thousands of the brightest scientists and physicians.

We are making you aware of these facts not to scare you or coerce you, but to emphasize the importance of vaccinating your child. We recognize that the choice may be a very emotional one for some parents. We will do everything we can to inform you of the benefits of vaccinating your child. Should you have doubts, please discuss these with your health care provider in advance of your visit. Please be advised, however, that delaying or "breaking up the vaccines" to give one or two at a time over two or more visits goes against expert recommendations, and can put your child at risk for serious illness (or even death) from preventable illnesses.

Finally, if you should decide that you do not want to vaccinate your child according to our recommendations, we will kindly ask you to find another health care provider who shares your views. As medical professionals, we could not feel more strongly that vaccinating children on schedule with currently available vaccines is in the best interest for all children and young adults. Thank you for your time in reading this policy.

By signing below you are agreeing that you have been informed of this policy and intend to comply.

OFFICE POLICIES

Patient Name: _____ **DOB:** _____

FINANCIAL RESPONSIBILITY: Patients must arrive at their scheduled appointment with their insurance card, photo ID and insurance co-pay/coinsurance/deductible if applicable. Co-pays required by the patient's policy must be paid at the time of the appointment. The parent or authorized caretaker bringing the child to be seen is responsible for payment.

SEPARATED/DIVORCED FAMILIES: For those families where parents are separated or divorced, the parent authorizing treatment and bringing the child to be seen is responsible for payment, no exceptions. If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent. **ABC Pediatrics will not act as a mediator in collecting our payments.**

LATE CANCELLATION / NO SHOW FEE POLICY: A late cancellation or no show fee of \$50 will be charged to all patients who do not provide **24 hour notification** to cancel a scheduled appointment or for patients who miss or no show for their scheduled **WELL** or **EXTENDED** appointments. For all other missed appointments, a \$25 fee will be charged. Multiple no shows may result in being discharged from the practice. *This fee is NOT payable by insurance and is your responsibility.*

RECORD COPIES: You are entitled to a copy of your Child's records. If you are changing providers and want us to send the records directly to your new provider there is NO FEE for this service. Please request a medical records release from our front desk and we will send the records to any provider you request. If you would like a copy for your own records there is a FEE of \$1.00 per page for the first 25 pages and \$.25 thereafter. Please allow up to 72 hours for all records requests to be completed once a release has been signed.

FORMS: We are happy to complete the shot record and/or physical forms for you at the time of your child's well visit at no charge. If you need additional forms or letters completed, there is a FEE of \$5.00 per form/page. Please allow up to 72 hours for us to complete your request. The fee is due upon receipt and is not billable to your insurance.

PRESCRIPTION REFILLS: We will strive to refill your prescriptions within 24 hours. However, we request that you call in your request at least 48 hours before you are out to ensure we have everything necessary to accommodate your request. Some prescriptions are not refillable without a follow up appointment due to the nature of the medication or illness.

WELL VISIT COVERAGE: When your child is scheduled for a WELL VISIT, it will be billed as such to your insurance plan. If, during your visit, you have **ADDITIONAL CONCERNS** that require a diagnosis and/or other treatment, it may be considered a Problem Oriented Exam and you may incur additional office charges. **Please take the time review your policy to ensure that your child's well visit and immunizations are covered benefits.** Feel free to call your insurance company and ask about your coverage. If Well-visit coverage is not a benefit with your policy, the state of Florida does make provisions for immunizations but it is necessary that we are aware of this before your child is seen.

INFORMATION CHANGES: Please notify us of any changes in address, phone number, insurance, etc... as soon as you are aware of them.

INSURANCE: It is your responsibility to make sure that we have your up to date insurance information. Changes in your insurance coverage need to be given to us within 30 days to ensure proper billing. If we do not have the correct insurance within 30 days of the date the patient was seen, the balance for that date may become the parent's responsibility. **Feel free to call your insurance regarding coverage. It is your responsibility to understand your insurance coverage and its limitations.**

AFTER HOURS: We currently use Bayside Answering Service for after hours. Please call (855)207-2878 if you have an urgent situation and you need medical counseling.
